

INFINITI-Certified Review Management and Messaging Provider

The way customers find, choose, and contact a business has changed dramatically over the last few years—not to mention the shifts made in recent months. Nearly every consumer decision starts with an online search instead of relying on word of mouth. Businesses that don't make it convenient for consumers to find and interact with them online are going to be left behind.

Messaging tools that drive results.

Grow your business.

Consumers who receive texts are **40% more likely** to convert.

Improve satisfaction.

77% of Podium businesses report higher customer satisfaction.

Increase efficiency.

Podium helps users save **5 hours a week** on average.

INFINITI Dealers on Podium recognize:

- **2x increase** in monthly reviews
- **3x increase** in monthly Google review volume
- **Average star rating of 4.8** from Podium-generated reviews

A tool for every interaction.

Reviews

Send invites. Get online reviews. Rank higher on the sites that matter.

Webchat

Turn online traffic into offline business by letting your patients text you.

Payments

Send a link and get paid immediately—all through text.

Feedback

Discover what's working well—and what isn't—in real-time through text.

Teamchat

Collaborate with your team in the same place you manage everything else.

Automations

Automatically send your customers the right message at the right time.

Videochat

Start a video call in seconds by sending a secure link via text.
